

**NOTICE TO PROVIDERS OF
PROFESSIONAL SERVICES**

Project No. PS D13-001

This notice shall remain posted until JUNE 30, 2013

First Deadline for Submittals: 2:00 P.M. Hawaii Standard Time, Tuesday, July 10, 2012

PREVIOUS SOLICITATIONS:

Professionals who responded to and qualified under the previous solicitations conducted during fiscal years 2010-2011 and 2011-2012 pursuant to DOE Project Nos. PS D11-001 and PS D12-001 respectively, **must respond** to this solicitation to be considered for projects during the 2012-2013 fiscal year.

1. EDUCATIONALLY RELATED PROFESSIONAL SERVICES CATEGORIES:

The State of Hawaii, Department of Education (DOE) anticipates during fiscal year 2013-2013 the need for Professional Services primarily in the **Education** category as follows:

- 1.1 Educational Therapist:** This series includes professional work requiring the application of knowledge of the concepts, principles, and practices of education and rehabilitation therapy. Educational therapists plan and carry out treatment, which involves the use of educational situations, equipment, and methods to rehabilitate patients. They evaluate the learning ability or educational level of patients by use of educational tests and measurements. Some educational therapists participate in the rehabilitation of blind patients. The activities of educational therapists are directed to achieving therapeutic objectives such as diminishing emotional stress of a patient, providing a sense of achievement, and channeling energies into acceptable forms of behavior.
- 1.2 General Education & Training:** This series includes professional work primarily in the field of education and training when the work is not more appropriately covered by another professional series in this or any other group. Included is work where (1) the work has characteristics that may be identified with more than one professional education series with none predominant, (2) the combination of professional knowledge required by the work is not specifically covered by another series, or (3) the work is in a specialized professional field not readily identifiable with other existing series in this or any other group.
- 1.3 Education & Vocational Training:** This series includes professional work that requires applying full professional knowledge of the theories, principles, and techniques of education and training to instructional and educational administration work in education programs operated by Federal agencies. Some work may also require specialized knowledge of one or more subjects in which the instruction is given.
- 1.4 Education Program:** This series covers' professional education work involving promoting, coordinating, and improving education policies, programs, standards, activities, and opportunities in accordance with national policies and objectives. Work in this series primarily involves the performance, supervision, or formulation and implementation of policy concerning education problems and issues. This work requires a professional knowledge of education theories, principles, processes, and practices at early childhood, elementary, secondary, or post secondary levels, or in adult or continuing education. They also require knowledge of the Federal Government's interrelationships with State and local educational agencies or with public and private post secondary institutions.
- 1.5 Public Health Educator:** This series includes work involving administering, supervising, or

performing research or other professional work in public health education. The work may involve providing leadership, advice, staff assistance, and consultation on health education programs. This includes analysis of behavioral and other situational factors affecting good health practices of individuals, groups, and communities; the planning of health education programs designed to meet the needs of particular individuals, groups, or communities; the selection of specialized educational methods, the preparation of educational materials, and the carrying out of such education activities which will best serve to stimulate the interest of individuals and groups in scientific discoveries affecting health in the application of health principles to daily living. Public health educators consult with State and local health departments, and with national and local voluntary agencies; organize community groups to study health problems and methods of disease prevention; and assist in coordinating mass health programs and in evaluating and improving health education programs.

- 1.6 Education Research:** This series includes work that primarily involves professional education research. This includes the performance, leadership, management, or supervision of scientific research to solve educational problems or to develop new knowledge bearing on educational processes. The paramount requirements for this work are knowledge of and skill in applying research principles and methods and a broad and thorough knowledge of one or more scientific fields or interdisciplinary areas related to the education research work being performed.
- 1.7 Education Services:** This series includes professional work to administer, supervise, promote, conduct, or evaluate programs and activities designed to provide individualized career-related or self-development education plans. The work requires knowledge of education theories, principles, procedures, and practices of secondary, adult, or continuing education. Some work requires skill in counseling students or enrollees to establish educational and occupational objectives.
- 1.8 Instructional Systems:** This series includes professional work to administer, supervise, advise on, design, develop, or provide educational or training services in formal education or training programs. The work requires knowledge of learning theory and the principles, methods, practices and techniques of one or more specialties of the instructional systems field. The work may require knowledge of one or more subjects or occupations in which educational or training instruction is provided.

2. DEADLINE FOR SUBMITTALS

This solicitation shall remain open through June 30, 2013. The first deadline for qualified professionals to submit Statements of Interest as described under SUBMITTAL REQUIREMENTS is:

2:00 P.M., Hawaii Standard Time, Tuesday July 10, 2012

**Items 4, 5, and 6 may be submitted on a CD.

Format of Submittal: Interested parties shall submit one (1) original statement of interest described above.

4. **GENERAL INFORMATION**

Under the requirements of §103D-304, Hawaii Revised Statutes (HRS) such professional services are subject to competitive selection.

- 4.1 Qualified List: Qualified responders to this solicitation will be placed on a list to provide such services and, as needs arise, will be considered for selection in accordance with §103D-304, HRS. Qualified professionals shall express their interest in providing services in the various category(ies) in the manner specified under SUBMITTAL REQUIREMENTS.
- 4.2 Confirmation of Receipt: Confirmation of the Professional Service the firm has been qualified for shall be emailed within four (4) weeks after the first deadline of submittals.
- 4.3 Confirmation of late submittals: Confirmation of receipt of late submittals shall be made within one (1) week via email. Confirmation of the Professional Service the firm has been qualified for shall be emailed within four (4) weeks after the review panel reconvenes to evaluate late submittals.
- 4.4 **Selection Criteria and Award:** As projects arise, selection criteria specific to the project shall be established and employed to select a contractor for the project. Criteria employed in descending order of importance are:
 1. Experience and professional qualifications relevant to the project type,
 2. Past performance on projects of similar scope for public agencies or private industry, including corrective actions and other responses to notices of deficiencies,
 3. Capacity to accomplish the work in the required time, and
 4. Any additional criteria determined in writing by the selection committee to be relevant to the DOE's needs or necessary and appropriate to ensure full, open, and fair competition for professional services contracts which may include the Applicant's billing rates and any other applicable cost factors.

The committee may conduct confidential discussions with any firm on the qualified list regarding the services which are required and the services they are able to provide. Qualified firms may be asked to submit additional information specific to the anticipated project at that time. In conducting discussions, there shall be no disclosure of any information derived from the competing professional service offerors. The DOE intends to award multiple contracts, based on the specific needs of the anticipated projects. The head of the committee shall negotiate a contract with the first ranked firm for each anticipated project, including a rate of compensation which is fair and reasonable, established in writing, and based upon the estimated value, scope, complexity, and nature of the services to be rendered.

Award(s) if any, will be posted online at: <http://spo3.hawaii.gov/psa/professional-service-awards>

- 4.5** Contract/Contract Terms: If selected for a project, Contractor is required to enter into a contract with the DOE.

The contract period may be for the current fiscal year only, or may include optional provisions to extend the contract for up to 4 additional years (for a total contract period of 5 years), but will be determined as appropriate for the project, and dependent upon available funding.

The "General Conditions for Goods and Services, Form AG-008" for such contracts can be viewed at: <http://hawaii.gov/forms/department-of-attorney-general/internal-forms/ag-008/view>

- 4.6** Certificate of Insurance:

In addition, upon award of the contract, Contractor shall furnish a certificate of insurance in accordance with the following minimum insurance coverage and limits: (1) General liability (GL) shall be no less than \$1 million per occurrence and \$2 million in the aggregate (the maximum amount paid for claims during a policy term), and (2) automobile (auto) insurance shall be no less than \$1 million per accident. The DOE may also require other types of insurance, or that the DOE be named as additionally insured on the Contractor's policy(ies), if determined appropriate for the type of contracted service and project.

- 4.7** Vendor Certificate Required: The Firm should be prepared to submit an original consolidated *Certificate of Vendor Compliance* as proof of compliance with §3-122-112, HAR. The *Certificate of Vendor Compliance* is issued by the State Procurement Office via the online system, "Hawaii Compliance Express." Details regarding this online application process can be viewed at: <http://vendors.ehawaii.gov/hce/>. **The certificate is not required at this time;** firms will be notified in writing when the certificate must be submitted.

- 4.8** Project Specific Solicitations: At the discretion of the DOE, certain projects must be advertised on a project-specific basis. In that event, a new solicitation for professional services, independent of this solicitation, will be published and interested parties shall respond to these solicitations in the manner specified in the legal notice.

5. CONTACT INFORMATION

Any inquiries regarding the above should be directed to the DOE Procurement and Contracts Branch at (808) 675-0130 or via email to DOEprocure@notes.k12.hi.us.
